PATIENT ALERT CARD

(daratumumab)

DARZALEX[®]

**IMPORTANT
MEDICAL INFORMATION
INSIDE**

Daratumumab PATIENTS:

Provide this card to healthcare providers BEFORE blood transfusion and carry it for 6 months after treatment has ended. For further information please refer to the Patient Information Leaflet

Patient ID Card for DARATUMUMAB

Name: _____

I am taking the following medication:

Daratumumab antibody product for the treatment of multiple myeloma or AL Amyloidosis

I stopped taking this medication on ____ / ____ / ____
DD MM YYYY

Dear Healthcare Provider,

Daratumumab is associated with the risk of interference with blood typing.

The Indirect Coombs test (Indirect antiglobulin test [IAT]) may show positive results in patients taking daratumumab, even in the absence of antibodies to minor blood antigens in the patient's serum which may persist for up to 6 months after the last dose.

The determination of a patient's ABO and Rh blood type are not impacted.

If an emergency transfusion is required, non-cross-matched, ABO/RHD-compatible RBCs can be given per local blood bank practices.

For any medical information enquires please contact: Ms Gaby Ganado, Phone (24/7): 00356 2397 6888, Email: medicalaffairs@ammangion.com or use this reference as a source of additional information: <http://online.library.wiley.com/doi/10.1111/trf.13069/epdf>

Reporting of side effects:

To report suspected Adverse Reactions, contact AM Mangion on the following:

Phone (24/7): 00356 2397 6333, Email: pv@ammangion.com,

Address: AM Mangion Ltd, Mangion Building, N/S Off Valletta Road, Luqa, LQA 6000, MALTA
If you get any side effects, talk to your doctor or nurse. You can also report side effects directly via ADR Reporting Website: www.medicinesauthority.gov.mt/adrportal.

By reporting side effects you can help provide more information on the safety of this medicine.
