To the General Public,

**Ozempic 1mg solution for injection in pre-filled pen
(semaglutide)****EU/1/17/1251/005**

Batch Number	Expiry Date	Pack Size	First Distributed
PP5N682::RN287	02/2027	1 x 3ml pen and 4 disposable needles (4 doses)	Labomed Ltd.

The Marketing Authorisation Holder, Novo Nordisk® has alerted the Malta Medicines Authority that one (1) pack of Ozempic® 1mg solution for injection in pre-filled pen from batch number PP5N682::RN287 is suspected to be falsified.

As a precautionary measure based on the report of Novo Nordisk®, a patient-level recall of Ozempic® 1mg solution for injection in pre-filled pen with the following batch number and expiry date is being carried out. This recall applies to this parallel imported batch only.

Batch Number PP5N682::RN287**Expiry Date 02/2027**

If you are in possession of Ozempic® 1mg solution for injection in pre-filled pen belonging to this batch (refer to attached photo):

- Stop using the affected product
- Contact your pharmacy to verify the batch
- Return the affected pack to the pharmacy from where the pack was purchased
- Speak to your pharmacist or medical practitioner to seek continuation of treatment

The Superintendent of Public Health as the Licencing Authority with the assistance of the Malta Medicines Authority are actively working with the relevant stakeholders to safeguard any possible risk to public health.

If you have any questions or concerns, speak to your pharmacist or medical practitioner for guidance.

Yours faithfully

Janice Cassar Giacomotto
