REASON FOR THE RECALL:

Medline has received information through post-market surveillance regarding the potential risk of foreign particulate within the fluid pathway of Namic White Star Handle Manifolds.

POTENTIAL RISKS:

The potential presence of foreign particulates within the fluid pathway of Namic White Star Handle Manifolds may, under certain conditions, result in:

- Delay in patient care
- Embolism
- In rare instances, death

Based on review of currently available post-market surveillance data, there have been no reported events resulting in embolism or death.

ACTIONS REQUIRED:

Step 1: Please take note of this safety information and inform all users in your facility.

Step 2: Urgently perform a physical check into your inventory to promptly put on quarantine and discard the impacted products and/or kits as listed in **Appendix 1 and 2.**

Step 3: Please complete the Acknowledgment Receipt (*page 4*) and indicate the number of units discarded (*pages 5 to 9*) in your stock. Then, return pages 4-to-end by email as soon as possible **but no later than 20th April 2026.**

Step 4: If you no longer have any of the impacted products in stock, please also complete the Acknowledgment Receipt (*page 4*) and return it by email as soon as possible **but no later than 20th April 2026.**

Step 5: If you have any questions or need support with finding alternative solutions, please contact your Medline Sales Representative or your local Medline Customer Service.
