

Drug Alert

CLASS 2 MEDICINES RECALL

Action Within 48 Hours

Date: 14th April 2015

Our Ref: MDR 10-03/15

Dear Healthcare Professional,

A1 Pharma[®] c/o Medical Logistics Ltd.

L-Thyroxin 25- 1A Pharma[®]

AA939/00103

L-Thyroxin 50- 1A Pharma[®]

AA939/00102

Batch Number	Expiry Date	Pack Size	First Distributed
EF8458AA	May 2015	100	19 th September 2014

At the end of their 12 month shelf-life samples of L-Thyroxin 25- 1A Pharma[®], batch no EK9462, have shown a parameter outside specification. As a precautionary action we have also decided to recall the above mentioned batch of L-Thyroxin 50-1A Pharma[®] having a shelf-life of 12 month. Both batches are recalled from wholesalers and pharmacies only.

In Malta, this recall has being carried out to pharmacy level by Medical Logistics Ltd. under the supervision of the Medicines Authority.

Yours faithfully

Clint Pace

Pharmacist
